99.1 Press release dated November 13, 2009

Fifth Street Finance Corp. Increases Its 2010 First Quarter Dividend to \$0.27 Per Share

WHITE PLAINS, N.Y., Nov. 13, 2009 (GLOBE NEWSWIRE) -- Fifth Street Finance Corp. (NYSE:FSC) ("Fifth Street") today announced its Board of Directors has declared a cash dividend of \$0.27 per share for the first fiscal quarter of 2010, an increase of 8% from the previous fiscal quarter.

First Quarter 2010 Record Date: December 10, 2009

First Quarter 2010 Payment Date: December 29, 2009

"We are encouraged that our deal origination growth has allowed us to increase the dividend," stated Fifth Street Finance Corp.'s President and Chief Executive Officer, Leonard Tannenbaum.

Dividends are paid from taxable income. Our Board of Directors determines quarterly dividends based on estimates of taxable income, which differ from book income due to changes in unrealized appreciation and depreciation of investments and due to temporary and permanent differences in income and expense recognition.

Fifth Street Finance Corp. has adopted a dividend reinvestment plan ("DRIP") that provides for reinvestment of our dividends on behalf of our shareholders, unless a shareholder elects to receive cash. As a result, if we declare a cash dividend, our shareholders who have not "opted out" of our DRIP will have their cash dividends automatically reinvested in additional shares of our common stock, rather than receiving the cash dividends. If your shares of our common stock are held through a brokerage firm or other financial intermediary and you wish to participate in the DRIP, please contact your broker or other financial intermediary.

About Fifth Street Finance Corp.

Fifth Street Finance Corp. is a specialty finance company that lends to and invests in small and mid-sized companies in connection with investments by private equity sponsors. Fifth Street Finance Corp.'s investment objective is to maximize its portfolio's total return by generating current income from its debt investments and capital appreciation from its equity investments.
